It's too bad that Duke Rudy loses his election as a member of the Kentucky House of Representatives by the carelessness of his political managers in overlooking a necessary and vital requirement, that of having the residence as well as the full name of the signer on his petition. Duke will be better posted in the future and will not be tied to the post when the bell taps and the derby is on in the next race.

THOMAS F. HILL.

Mr. Thomas F. Hill, one of Aberdeen's venerable and leading citizens, died this morning at 8:15 o'clock, after an illness of three days, aged about 71.

He was born in Lancaster, O., but in early life came to Aberdeen, where he had since resided, loved and respected by all for his general high character and Christian manliness.

He had served several terms as Mayor of the village and has been honored and exalted with an election to various other positions within the gift of the people. He was an Elder in the Methodist Church, where his Christian spirit found full away in serving the Lord and doing good to others.

He was a gallant soldier of the late Civil War, having served as a member in the Twelfth Ohio Volunteer Infantry, being among the first to enlist. After an arduous campaign in West Virginia and the South, extending over a period of three years, he was honorably discharged and returned home.

He was one of the oldest members of the Aberdeen Masonic Lodge.

Besides a widow he leaves three sons and two daughters—John Hill of Indianapolis; Charles Hill of Cincinnati; Captain Leslie Hill of the Goldenrod; Mrs. Edith Cook of Muncie, Ind.; and Miss Hill, living at home.

The funeral arrangements have not been completed and will be published later.

The Missouri State Republican Convention at St. Louis yesterday endorsed W. H. Taft for President.

CURED TO STAY CURED.

How a Maysville Citizen Found Complete Freedom From Kidney Troubles.

If you suffer from backache—From urinary disorders—From any disease of the kidneys, Be cured to stay cured. Doan's Kidney Pills make lasting cures. Maysville people testify. Here's one case of it.

A. W. McClanahan of A. W. and B. P. McClanahan, grocers, at 121 Second street, Maysville, Ky., says:

"I can endorse Doan's Kidney Pills more heartily today than I did five years ago when I told the Maysville people that this medicine had cured me of severe kidney trouble and backache that had bothered me for twenty years and seemed to be growing worse and worse all the time. I repeat that I can more confidently recommend Doan's Kidney Pills, which I procured at J. Jas. Wood & Son's Drugstore, today than I did in my former testimonial because my cure has been permanent and I have had no kidney trouble for nearly five years. As proof that I am a firm believer in Doan's Kidney Pills I will be only too pleased to reiterate the above to any one who may inquire."

For sale by all dealers. Price 50 cents a box. Foster-McIlburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

CRANE & SHAFER

Mrs. Joseph Tucker of the county is seriously ill with the grip.

Mr. Frank Devine, the real estate man, is in receipt of several letters this week from parties in Oklahoma and other parts of the growing West, in which the writers state that they are informed there will be a considerable exodus from Kentucky this spring on account of the unsettled condition of affairs in the state, and that they are prepared to offer golden opportunities for land investors who are seeking a home where the soil is rich and the land is cheap. THE LEDGER would advise all to remain in Old Kentucky, the garden spot of the world, where the bluegrass waves and the sun is ever bright.

Miss Carrie L. Harris of Vanceburg is attending the Teachers' Institute at the High School Building in this city today.

Mr. and Mrs. John Tolle have the sympathy of their friends in the loss of their three-week-old daughter, whose death occurred this morning at 3 o'clock. Burial this afternoon from the home in Front street, Fifth Ward. Interment in Maysville Cemetery.

BEREA COLLEGE CASE

Filed in U. S. Supreme Court by Attorney General Breathitt

The brief of Attorney General Breathitt and associate counsel for the State of Kentucky on the appeal of Berea College from the decision of the Kentucky Court of Appeals, sustaining the constitutionality of the act of the Legislature requiring separate schools for whites and blacks, was filed with the clerk of the Supreme Court.

It is maintained that Kentucky's police power gives the right to pass such a law and that co-education of the races would result in social equality, which would blot out both.

The physic habit is more dangerous than dyspepsia

Most Physicists Leave You Weak. Dyspepsia often causes intense distress and pain, which is quickly relieved by a thorough physic, but unless the proper remedy is taken the patient is very apt to find himself a slave to the "Physic Habit."

This is caused by the severe shock which the drug gives to the intestinal muscles making them so weak they are unable to voluntarily perform their functions. The bowels cannot act of their own accord and so the physic which caused the trouble is taken again but in a larger dose in order to accomplish results. The need for such an artificial treatment becomes chronic and the size of the dose must be gradually increased. The patient at last becomes a confirmed victim of the "Physic Habit," and his strength and health rapidly leave him.

Dr. Caldwell's Syrup Pepsin

does not act like other laxatives. Instead of weakening the intestinal muscles it so strengthens them that they can perform their functions unaided. It is a pleasant remedy to take, and rapidly strengthens all the muscles through its great tonic properties. In cases of dyspepsia it quickly relieves the pain and soon affects a permanent cure.

All druggists sell Dr. Caldwell's Syrup Pepsin at 50 cents and \$1 a bottle. Money back if it doesn't satisfy.
